

Yellow Group Session 9

Living
Standards
Public Budget
2050 document
by Oct 2017

1.5% LT
labour productivity
growth (sustainable
assumption)

"How does
this come
out of our
decisions?"

"While we should
be aware of
global trends, at
the end of the
day we live in
NZ" - Girol

"How can
we maintain
momentum?"
- Girol

"Retirees
underestimate
how long they're
going to live by
~ 6-7 years"

"magnificent
opportunity"
- Girol

need to
eventually
reconsider the
role of the
State (Girol)

We must
widen
consultation
& interaction.

Redesign
retirement
income
policies.

living standards
framework

Underplayed
health &
overplayed
retirement

Effective
communication
C O H E S I O N
S O C I A L
O N

Must also
consider:
student loan,
housing afford,
child poverty

the missing
piece!
